Request for Materials

Date: _____

I, _____ hereby authorize and grant permission to the Genesee County Road Commission to place: fill dirt or wood chips or _____ (circle/state choice) at the address of: _____

I have obtained all necessary permits and any required inspections from any or all; Genesee County or Atlas Township or any other governing body that may regulate these actions.

_____ Genesee County Drain Commission * Date and Permit # _____

_____ Atlas Township Building Department * Date and Permit # _____

_____ * Date and Permit# _____

Other any other conditions of agreement: _____

I understand there may be fees associated in obtaining permits.

I am requesting the amount of: _____ cubic yards of material

I, the undersigned, state that I am the legal owner of the said mentioned property address and do hereby release the Genesee County Road Commission and Atlas Township from any and all claims in connection with said placement of the requested materials on the property listed. I understand this material may contain but not limited to: trees, vegetation brush, stumps, concrete, rocks, stones and other debris. Any wood chips will not be finish landscape quality.

Genesee County Road Commission will place these materials on said property and will have no further obligation.

I certify that any fill dirt delivered by the Genesee County Road Commission will not be placed on or in any wet land areas. Any later problems related by the acceptance of these materials will be the full responsibility of the property owner signed below.

I certify that I am the legal owner of the above named property.
